In Evidence Showing the  
Origin and Development  
of the Committee to Secure  
Justice for Morton Sobell in  
the Rosenberg Case

A letter dated October 18, 1953 from JOSEPH BRAININ and DAVID ALMAN, for the Committee of the Committee to Secure Justice for MORTON SOBELL in the ROSENBERG Case to "Dear Friend". This letter includes the following excerpts:

"This June 19 marks one year of death for the ROSENBERGS. It marks one more year spent in Alcatraz by their co-defendant MORTON SOBELL and it marks a year of continuous activity by the ROSENBERG-SOBELL Committee to Vindicate the ROSENBERGS--to win a new trial for SOBELL--and to bring the truth in the case to the American people."

"Within the next few months we plan to issue a film on the case, to conduct a campaign to win SOBELL's removal from Alcatraz until a new trial is granted, to support new legal steps, to schedule new ads, books, pamphlets, leaflets--to use every conceivable means to reach the hearts and minds of the American people."

A mimeographed letter dated October 15, 1953, was issued by the National Rosenberg-Sobell Committee, 1050 6th Avenue, New York 18, New York, which letter announced the formation of a new committee, "The National Rosenberg-Sobell Committee," which committee was formed at the National Rosenberg-Sobell Conference held in Chicago on October 10, 11, 1953. The letter refers to the following enclosed material:

1. Mimeographed "Statement of Policy Adopted by the National Conference of Rosenberg-Sobell Committees in Chicago, October 10-11, 1953." This statement reflects that justice was not done in the Rosenberg-Sobell Case and states that the national organization of the Rosenberg-Sobell Committees will make public the truth in the Rosenberg-Sobell Case.
2. Mimeographed "Program Adopted by the National Rosenberg-Sobell Conference in Chicago, October 10-11, 1953." This program sets forth six points of the program adopted which include "An educational campaign," circulation of an Amicus Brief, transfer of SOBELL out of Alcatraz, best methods of legal support for SOBELL, report on the conduct of the U. S. Attorney General's Office, and a pledge to furnish full support to guarantee funds for ROBERT and MICHAEL ROSENBERG.
3. An analysis of the case against MORTON SOBELL prepared for the National Conference of Rosenberg-Sobell Committees by Professor STEPHEN LOVE. This analysis reviews the charges against SOBELL and portions of the trial, criticizes the Supreme Court for refusing to review the case, and calls for continued support of SOBELL.

4. A report by EMILY ALMAN for the National Officers--Chicago Conference--Rosenberg-Sobell Committee. This report consists of 7 mimeographed pages of discussion concerning the mistakes made in the Rosenberg Case and what must be done in the Sobell Case, plus condemnation of the Attorney General's Office and statements concerning the intention of the Committee to investigate the Attorney General's Office.
5. A mimeographed auditing of the books of the National Committee to Secure Justice in the Rosenberg Case dated October 7, 1953, for a period from November, 1951, to August 31, 1953, showing income, expenses, administrative expenses (including salary of national organizing and clerical staff), and an "Analysis of Legal Expenses."

V. EVIDENCE OF THE EXTENT TO WHICH THE  
SUPPORT OF THE NATIONAL COMMITTEE TO  
SECURE JUSTICE IN THE ROSENBERG CASE  
FINANCIALLY AND OTHERWISE IS DERIVED  
FROM THE COMMUNIST PARTY, USA

A mimeographed page captioned, "Notes on Current Topics \*\*\* by the Communist Party", and entitled "The Communist Party and the Rosenbergs" was issued by the Communist Party and signed by "The Communist Party of Illinois, West -- South-west Division." The item stated that the American press has suggested that only the Communists would remember or honor the ROSENBERGS because they, the Communists, approved of the ROSENBERGS' "Supposed Crimes" and states that this is a lie. It states that it is true that members of the Communist Party worked to secure clemency and eventually vindication for the ROSENBERGS. The item agrees that the Communists were "ardent partisans" of the ROSENBERGS.

It was announced that the Rosenberg committee was going to put an ad in most of the neighborhood newspapers asking people to write to the President urging him to grant clemency for the ROSENBERGS. It was stated at that meeting that the Rosenberg Committee desired to obtain names of well known people to be used in connection with this campaign.

VII Evidence Showing the Extent

Time to Time on Matters of Policy  
Do Not Deviate From Those of the  
Communist Party, USA

A 15 page leaflet issued by the National Committee to Secure Justice in the Rosenberg Case, entitled "New Evidence in the Rosenberg Case, which, in its section "The Documents" page 2, contains the following:

"The documents received by the National Committee to Secure Justice in the Rosenberg Case arrived from the French Rosenberg Committee in the form of photostats.

"The first document consists of three pages written in DAVID GREENGLASS' own handwriting. These three pages were later authenticated by a foremost handwriting expert, Mrs. ELIZABETH MC CARTHY, of Boston, Mass. The document is dated 'Saturday, June 1950' it purports to be a statement or recapitulation of what DAVID GREENGLASS told the F.B.I.

"The importance of this document lies in the contradiction it gives to GREENGLASS' courtroom testimony; it is written in the language of a man inventing a story rather than telling a truthful narrative; it contains serious and inexplicable omissions, and finally, confesses that he permitted the F.B.I. to 'remember' for him events he could not himself recall.

"The second document, dated June 18, 1950, is a typewritten one, also of three pages, which appears to be a memorandum from an attorney for his files. It concerns a discussion between members of the law firm and relatives of DAVID GREENGLASS. This second document is likewise of extreme importance because in it Mrs. RUTH GREENGLASS, DAVID's wife, contradicts vital aspects of her husband's written statement and courtroom testimony and portrays her husband as an hysteric and liar. This document provides evidence that GREENGLASS committed perjury.

"These two documents do not deal with peripheral or secondary matters in the case. They go to the heart of the case, and therefore raise fundamental doubts, which, when taken in the context of other doubts - particularly the absence of a single document linking the ROSENBERGS to a 'conspiracy to commit espionage' - cause the trial to be viewed in an altogether new light."

"ETHEL and JULIUS ROSENBERG swear that they were completely innocent. Circuit Court of Appeals said that without the GREENGLASS testimony there would be no case against the ROSENBERGS."

"The Charge - ETHEL and JULIUS ROSENBERG were charged with 'Conspiracy to Commit Espionage' not treason, not espionage--but 'Conspiracy (planning) to Commit Espionage.'"

"The Evidence - DAVID GREENGLASS, brother of ETHEL ROSENBERG, claimed that he gave Atomic Bomb secrets to the ROSENBERGS."

"The Sentence - Death! This is the first time the death sentence has been imposed in the United States for such a charge."

"The Plea - The ROSENBERGS have maintained that they are innocent."

From the block section entitled "The Doubts" the following excerpts are set forth:

"The Key Witness- DAVID GREENGLASS, a confessed spy, was 'rewarded' for fingering the ROSENBERGS by a light sentence of 15 years. His wife, RUTH, also a confessed spy, was never made to stand trial."

"Perjury - The FBI admitted on Dec. 22, 1952 that an important witness for the government had lied under oath."

A pamphlet issued by the Chicago Rosenberg-Sobell Committee entitled "The Sobell Case". An analysis by STEPHEN LOVE, Professor, Northwestern University, concludes as follows:

"We must not allow our interest to lag, nor our desire to help an unfortunate fellow being grow cold. In a measure MORTON SOBELL has suffered even greater injustice than his fellow defendant since we all concentrated understandably on the ROSENBERG Case. The SOBELL Case is just as vital. The condemnation of an innocent man to a living death of 30 years, the destruction of his family, of his courageous wife are factors which no American, no man with a human heart, can ignore. We must continue both in the courts and by repeated appeals to executive clemency and by unrelenting search for further evidence, to attempt to undo a great wrong! When public opinion resumes its normal atmosphere, when the search is over, when normalcy returns, America will thank us for our efforts I am certain."

"On December 4, Senator L. N. G. R., Chairman of the United States Senate Judiciary Committee was presented with a request to investigate the conduct of the United States Attorney General's Office in the ROSENBERG-SOBELL Case. This request for an investigation is based on the following facts:

I The Attorney General's Office knowingly used and encouraged perjured testimony against MORTON SOBELL.

II The Attorney General's Office promised and in fact did give such rewards to several chief witnesses in the ROSENBERG-SOBELL case.

III The Attorney General's Office deliberately engaged in an unlawful campaign in misrepresentation of facts through press releases prior to the trial and thus falsify essential aspects of the case, and caused public opinion to prejudge the defendants.

IV The Attorney General's Office attempted and still attempts to keep from the courts documents that reveal perjuries and the role the Attorney General's office played in obtaining these perjuries.

V The Attorney General's Office engaged in the use of mental torture against the ROSENBERGS and mental torture, as well as physical violence, against MORTON SOBELL.

VI The Attorney General's Office by deception and misrepresentation interfered with the court's handling of the case.

VII The Attorney General's Office by withholding information, by deception, and by outright falsehoods, mislead two presidents of the United States who had before them appeals for clemency.

I. Evidence Showing the  
Origin and Development  
of the Committee to Secure  
Justice for Morton Sobell in  
the Rosenberg Case

A letter dated October 16, 1953 from JOSEPH ERAININ and DAVID ALMAN, for the Committee of the Committee to Secure Justice for MORTON SOBELL in the ROSENBERG Case to "Dear Friend". This letter includes the following excerpts:

"This June 19 marks one year of death for the ROSENBERGS. It marks one more year spent in Alcatraz by their co-defendant MORTON SOBELL and it marks a year of continuous activity by the ROSENBERG-SOBELL Committee to Vindicate the ROSENBERGS--to win a new trial for SOBELL--and to bring the truth in the case to the American people."

"Within the next few months we plan to issue a film on the case, to conduct a campaign to win SOBELL's removal from Alcatraz until a new trial is granted, to support new legal steps, to schedule new ads, books, pamphlets, leaflets--to use every conceivable means to reach the hearts and minds of the American people."

I.

A mimeographed letter dated October 17, 1953, was issued by the National Rosenberg-Sobell Committee, 1050 6th Avenue, New York 18, New York, which letter announced the formation of a new committee, "The National Rosenberg-Sobell Committee," which committee was formed at the National Rosenberg-Sobell Conference held in Chicago on October 10, 11, 1953. The letter refers to the following enclosed material:

1. Mimeographed "Statement of Policy Adopted by the National Conference of Rosenberg-Sobell Committees in Chicago, October 10-11, 1953." This statement reflects that justice was not done in the Rosenberg-Sobell Case and states that the national organization of the Rosenberg-Sobell Committees will make public the truth in the Rosenberg-Sobell Case.
2. Mimeographed "Program Adopted by the National Rosenberg-Sobell Conference in Chicago, October 10-11, 1953." This program set forth six points of the program adopted which include "An educational campaign," circulation of an Amicus Brief, transfer of SOBELL out of Alcatraz, best methods of legal support for SOBELL, report on the conduct of the U. S. Attorney General's Office, and a pledge to furnish full support to guarantee funds for ROBERT and MICHAEL ROSENBERG.
3. An analysis of the case against "JOHN SOBELL" prepared for the National Conference of Rosenberg-Sobell Committees by Professor STEPHEN LEVE. This analysis reviews the charges against SOBELL and portions of the trial, criticizes the Supreme Court for refusing to review the case, and calls for continued support of SOBELL.

4. A report by EMILY ALMAN for the National Officers--Chicago Conference--Rosenberg-Sobell Committee. This report consists of 7 mimeographed pages of discussion concerning the mistakes made in the Rosenberg Case and what must be done in the Sobell Case, plus condemnation of the Attorney General's Office and statements concerning the intention of the Committee to investigate the Attorney General's Office.
5. A mimeographed auditing of the books of the National Committee to Secure Justice in the Rosenberg Case dated October 7, 1953, for a period from November, 1951, to August 31, 1953, showing income, expenses, administrative expenses (including salary of national organizing and clerical staff), and an "Analysis of Legal Expenses."

V. EVIDENCE OF THE EXTENT TO WHICH THE  
SUPPORT OF THE NATIONAL COMMITTEE TO  
SECURE JUSTICE IN THE ROSENBERG CASE  
FINANCIALLY AND OTHERWISE IS DERIVED  
FROM THE COMMUNIST PARTY, USA

A mimeographed page captioned, "Notes on Current Topics \*\*\* by the Communist Party", and entitled "The Communist Party and the Rosenbergs" was issued by the Communist Party and signed by "The Communist Party of Illinois, West -- South-west Division." The item stated that the American press has suggested that only the Communists would remember or honor the ROSENBERGS because they, the Communists, approved of the ROSENBERGS' "Supposed Crime" and states that this is a lie. It states that it is true that members of the Communist Party worked to secure clemency and eventually vindication for the ROSENBERGS. The item agrees that the Communists were "ardent partisans" of the ROSENBERGS.

The committee was formed at the final session of the two-day Rosenberg-Sobell Conference held at the Fine Arts Building and attended by 150 delegates from 36 states. The conference was called by the National Committee to Secure Justice in the Rosenberg Case which led the nationwide campaign to save the lives of the ROSENBERGS."

VII Evidence Showing the Extent  
To Which Positions Taken From  
Time to Time on Matters of Policy  
Do Not Deviate From Those of the  
Communist Party, USA

A 15 page leaflet issued by the National Committee to Secure Justice in the Rosenberg Case entitled "New Evidence in the Rosenberg Case," which, in its section "The Documents" page 4, contains the following:

"The documents received by the National Committee to Secure Justice in the Rosenberg Case arrived from the French Rosenberg Committee in the form of photostats.

"The first document consists of three pages written in DAVID GREENGLASS' own handwriting. These three pages were later authenticated by a foremost handwriting expert, Mrs. ELIZABETH MC CARTHY, of Boston, Mass. The document is dated 'Saturday, June 1950' It purports to be a statement or recapitulation of what DAVID GREENGLASS told the F.B.I.

"The importance of this document lies in the contradiction it gives to GREENGLASS' courtroom testimony; it is written in the language of a man inventing a story rather than telling a truthful narrative; it contains serious and inexplicable omissions, and finally, confesses that he permitted the F.B.I. to 'remember' for him events he could not himself recall.

"The second document, dated June 18, 1950, is a typewritten one, also of three pages, which appears to be a memorandum from an attorney for his files. It concerns a discussion between members of the law firm and relatives of DAVID GREENGLASS. This second document is likewise of extreme importance because in it Mrs. RUTH GREENGLASS, DAVID's wife, contradicts vital aspects of her husband's written statement and courtroom testimony and portrays her husband as an hysteric and liar. This document provides evidence that GREENGLASS committed perjury.

CG 100-25530

DVR:mek

"These two documents do not deal with peripheral or secondary matters in the case. They go to the heart of the case, and therefore raise fundamental doubts, which, when taken in the context of other doubts - particularly the absence of a single document linking the ROSENBERGS to a 'conspiracy to commit espionage' - cause the trial to be viewed in an altogether new light."

"ETHEL and JULIUS ROSENBERG swear that they were completely innocent. Against their word was the word of DAVID GREENGLASS who claimed that the ROSENBERGs induced him to steal the "secret" of the Atomic Bomb. Judge JEROME N. FRANK of U. S. "The Charge - ETHEL and JULIUS ROSENBERG were charged with 'Conspiracy to Commit Espionage' not treason, not espionage--but 'Conspiracy' (planning) to Commit Espionage."

"The Evidence - DAVID GREENGLASS, brother of ETHEL ROSENBERG, claimed that he gave Atomic Bomb secrets to the ROSENBERGS."

"The Sentence - Death! This is the first time the death sentence has been imposed in the United States for such a charge."

"The Plea - The ROSENBERGS have maintained that they are innocent."

From the block section entitled "The Doubts" the following excerpts are set forth:

"The Key Witness--DAVID GREENGLASS, a confessed spy, was 'rewarded' for fingering the ROSENBERGS by a light sentence of 15 years. His wife, RUTH, also a confessed spy, was never made to stand trial."

"Perjury - The FBI admitted on Dec. 22, 1952 that an important witness for the government had lied under oath."

A pamphlet issued by the Chicago Rosenberg-Sobell Committee entitled "The Sobell Case". An analysis by STEPHEN LOVE, Professor, Northwestern University, concludes as follows:

"We must not allow our interest to lag, nor our desire to help an unfortunate fellow being grow cold. In a measure MORTON SOBELL has suffered even greater injustice than his fellow defendants since we all concentrated understandably on the ROSENBERG Case. The SOBELL Case is just as vital. The condemnation of an innocent man to a living death of 30 years, the destruction of his family, of his courageous wife are factors which no American, no man with a human heart, can ignore. We must continue both in the courts and by repeated appeals to executive clemency and by unrelenting search for further evidence, to attempt to undo a great wrong! When public opinion resumes its normal atmosphere, when the search is over, when normalcy returns, America will thank us for our efforts I am certain."

"On December 4, Senator LUGER, Chairman of the United States Senate Judiciary Committee was presented with a request to investigate the conduct of the United States Attorney General's Office in the ROSENBERG-SOBELL Case. This request for an investigation is based on the following facts:

I The Attorney General's Office knowingly used and encouraged perjured testimony against MORTON SOBELL.

II The Attorney General's Office promised and in fact did give such rewards to several chief witnesses in the ROSENBERG-SOBELL case.

III The Attorney General's Office deliberately engaged in an unlawful campaign in misrepresentation of facts through press releases prior to the trial and thus falsify essential aspects of the case, and caused public opinion to prejudice the defendants.

IV. The Attorney General's Office attempted and still attempts to keep from the courts documents that reveal perjuries and the role the Attorney General's office played in obtaining these perjuries.

V The Attorney General's Office engaged in the use of mental torture against the ROSENBERGS and mental torture, as well as physical violence, against MORTON SOBELL.

VI The Attorney General's Office by deception and misrepresentation interfered with the court's handling of the case.

VII The Attorney General's Office by withholding information, by deception, and by outright falsehoods, misled two presidents of the United States who had before them appeals for clemency.
